Width [mm]:	42mm
Weight [kg]:	0,86kg

Matar has a unique feature where you separately may adjust the up and downward beam angle. This will allow the planner to fix the perfect beam angle for a diversity of applications. A timeless and slim design makes Matar the perfect choice for a glare free facade light, suitable both for home or decorative commercial use. Integrated slides allow for adjusting the two beam angles from 0°-90°. Body in cast aluminium, with clear diffusers, and color in Dark Grey.
